FBC Pulaski Family,

Melissa and I have been praying with you for almost six months now that God's leading would be clear to all of us concerning my call and our family's ministry with you. We believe He graciously and unmistakably answered that prayer during our time with you this past weekend. Therefore, it is with deep humility and profound excitement that I accept God's call to minister with you at First Baptist Pulaski.

As anxious as our family is to relocate and begin serving with you in Giles County, our transition will take some time. Unless the Lord decides otherwise, I will begin my ministry there on Tuesday, March 30 – just in time to celebrate our Lord's resurrection with you on Easter Sunday, April 4! Melissa and the kids will finish out the school year in Texas and move sometime in June. I will take two or three short trips back to Texas to fulfill some existing commitments and prepare our family for the move, but will be with you as much as I am able. We appreciate your understanding and covet your prayers during this time of transition.

The Gomillion family would like to thank you again for your many expressions of love during this past weekend and in the months leading up to it. You were, and have been, for us the very aroma of Christ. As we briefly discussed Sunday, the enemy is looking to divide and devour us, so let's all be diligent to follow God's command in Ephesians 4:3: ***"Make every effort to keep the unity of the Spirit through the bond of peace."*** May our unity radiate His glory so many will be drawn to the Savior ... in Pulaski and beyond.

With gratitude and expectancy in Him,

Tony Gomillion
